

Golf Cart Rental Information

Harbour Island is a walking friendly Island, 3 miles long by 1 mile wide. Runaway Hill Inn is located on the beach, mid-Island and a 10 - minute walk to many of the shops, restaurants, and activities. However, many guests prefer to rent a golf carts during their stay. Rates vary between \$50-\$80 per day depending on the number of seats and the rental company.

Runaway Hill Inn does not rent golf carts. Golf rentals are handled by a number of local rental companies. Below you will find a list of golf cart rental companies on the Island.

A Visa or Master Card is required to confirm your reservation. In peak season, a reservation is necessary to guarantee a golf cart.

Please indicate that you were referred by Runaway Hill Inn and that you will be staying either at the Inn or Infinity House and your approximate time of arrival. Also, please ask for an email confirmation. The golf cart will be delivered to you upon arrival at which time your paperwork will be completed. After a long travel day, many of our guests choose to have the golf cart delivered at breakfast the first morning of their trip.
